Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. You may continue enforcing the UDC per its administration and enforcement requirements of Ch. Comm 20, for all new one- and two-family dwellings as well as new alterations and additions to dwellings originally built since June 1, 1980. Note that all inspections must be performed by properly certified inspectors.

Sorry for the delay in responding. We found your ordinance in a file we thought had already been scanned.

Feel free to contact me if you have any questions.

Sincerely,

Duane Hubeler
UDC Consultant
